107-1 微學分課程 Microcredit Course

「全球瞭望角-語言交換

Global Vision Corner-Language Exchange」

活動簡章

壹、主旨 Purpose

提供本校學生學習不同語言的機會，以拓展國際視野，並透過不同語言小組，提供參與之同學多元之思考並同時促進本地生，境外生與英語母人士之交流，提升本校國際化成效。詳細辦法及流程如下：

This course is meant to introduce various topics of current relevance to students and provide opportunities to share experiences and practice language skills. International students' experiences are varied and often invisible to local students. Conversely, local students' daily lives may still remain just out of reach. As such, these discussions will provide a gateway for local students and international students to engage in the daily lives of each other while sharing similarities and differences in thinking and behavior within those discussions. Through these discussions, it is hoped that new understandings will be entertained, boundaries broken and a new freedom to share and learn about those around you will be opened.
